Wanted, Rain  
If Trouble, Then What?  
Balfour and the Poe-Wee  
The Lead Pencil Shape

By ARTHUR BRISBANE  
EXCESSIVE heat injures Italy's crops; religious processions and prayers for rain in many places. That just give Mussolini a sort of helpless, indignant feeling.

BUT, men, in time, will find a way to control rainfall. Italy's necessity may persuade Mussolini to look into it. Absence of microscopic dust in the atmosphere is one cause of drought. It should be easy, with airplanes, to supply missing dust—preferably some hydrophobic substance, like pulverized lime.

It is proposed to unite Germany and the fragments of Austria after the treaty coming up by the allies. France and other nations don't want a bigger, more powerful Germany.

French newspapers, remembering the American peace treaty recently invoked, ask: "What would America do should events precipitate trouble?"

AMERICA, in all probability, would do something foolish. But at least ninety million out of one hundred million Americans will hope, if events precipitate trouble in Europe, that America will know enough to mind its own business and let Europe attend to her business.

LORD BALFOUR celebrates his eightieth birthday, and the Prince of Wales, congratulating him, says Balfour was a member of the cabinet eight years before I was born, and his golf handicap at 80 is at a lower level than mine is ever likely to attain.

The prince might have added that Lord Balfour's is an older English family than that of the prince. Balfour descends from Lord Buregh, Prime Minister under Queen Elizabeth.

BRITISH newspapers praise Balfour's long, honorable career and his done for his country. His contributions of advice are important. Some of them would sound fundamentalists. The last general work he ever did for Britain was in connection with the United States Treasury.

HE did another neat piece of work when, at the Washington conference, England being unable to financially compete with us in ships, Balfour persuaded our boy statesmen to junk our finest battleships, some not finished, thus saving Britain expense. Balfour is a statesman; ours are politicians, or pencees.

PARIS fashions for this fall demand "the silhouette." The woman whose outline closely imitates that of a lead pencil will be envied by others that stick out in front, back or at the sides. "A low belt and slight circular flaring, set in on the left side, all the rest left pencil." That's what you must look like, ladies. Get your rubbers and begin to persevere—unless you have common sense.

FOR some worry is necessary. Here is something PERMANENT to worry about. The earth is losing its speed; in the well-organized procession around the sun the earth falls back.

The loss is slow, only one-hundredth part of a second each century. But Turn to Page 5

### REPUBLICANS LEAD IN BALLOT FIGURES

Outnumber Democrats Five to One in Local Absent Voters' Record

Republicans casting about voters' ballots for the August primary out-number Democrats five to one, it was revealed today in a check at headquarters of the Marion county board of elections.

At noon today 30 Republicans had either cast their ballots or had made application for them. Six Democratic ballots have been voted or mailed.

Of the total number mailed to residents who are out of the city some had been returned today.

### BELIEVE SMITH SUCCESS LIES IN CITY VOTE

Democrats To Center Heavy Fire Upon Urban Population

FIRST SUCH APPEAL

Rural Sections Not To Be Ignored, However, Say Managers

New York, July 26—Convinced that the cities alone can elect Gov. Alfred E. Smith to the presidency, the Democratic national campaign managers have agreed upon a plan to center their heavy fire upon the urban population from coast to coast.

The cities are "wet," they contain more than half the total population of the nation, in many states they dominate the final result in the electoral college—these were the determining factors in the decision of the executive committee, a member of the committee revealed today.

In addition, it was explained, Governor Smith as product, exponent and champion of the greatest city of them all, can carry a more powerful and effective appeal to the urban citizens than to the rural voter.

Indiana City Fight

The county precincts are not to be ignored, as is evidenced by Smith's promise to call a national conference on agricultural policy prior to inauguration. In the event of his election, but the fight for the cities is certain to be more intensive than the contest for the countryside.

Still another factor in the decision was the consideration that the bulk of the Democratic vote and virtually all of the Democratic organization in the contested states of the east, middle-west and west are centered in the larger cities.

Persuaded to the plan for a "big city campaign" Chairman Raskob has set up in his private office at national headquarters a huge wall map embellished by a confusion of multi-colored tacks. Every little tack has a meaning of its own—indicating the percentage of total vote contained in the larger cities of the state, the normal efficiency of the Democratic city organization, and the

### SCHAFFNER MAKES RECORD AIR TRIP

Marion Business Man Saves Two Days by Using Plane in Journey to Chicago

Wilfred Schaffner, general manager of Schaffner Furniture Co., returned home today after completing a business trip to Chicago in record time yesterday.

Mr. Schaffner, in company with four Northwestern Ohio business men, left Toledo in an airplane at 7:30 o'clock and arrived in Chicago at 10 o'clock, completing the trip of 220 miles in two and one-half hours. Following the inspection of the Grady-Majestic radio plant in Chicago, the party left the city for Toledo at 6 o'clock last night, making the return trip in the same time.

After completing some business in Toledo last night Mr. Schaffner returned to Marion, this morning. By making the trip in the plane, Mr. Schaffner stated today that he saved nearly two days which would have been necessary if he had made the journey by rail.

The Stinson monoplane used by the five men for the trip, recently returned from a tour of the United States after covering more than 10,000 miles.

### AGRICULTURALISTS OPPOSED TO CALLES AS HEAD

Friendly Relations Exist, but Faction Baku at Convention

Mexico City, July 26—While the most friendly relations exist between President Calles and the agrarian faction of the Obregonista party, Deputy Antonio Diaz Voto T. Gomez, spokesman for the agrarians, believed today that his colleagues are collectively opposed to President Calles remaining in office after his term expires on Nov. 1.

In the meantime the agrarians are circulating their petitions for the recall of Calles, claiming that he is a public enemy, contrary to the constitution.

### Three Leaders of Golf Tournament

Robert Owens, 15-Year-Old "Discovery" at Marion Country Club, Wins President's Cup Match; K. M. Bower, Course Veteran, Defeated in Final Round by Youthful Star; J. R. Smith Victor Over J. C. Woods in Second Flight Match of Meet

J. R. SMITH K. M. BOWER ROBERT OWENS

THREE leading figures in the President's cup handicap tournament which closed at the Marion Country club Sunday afternoon are pictured above.

Robert Owens is the 15-year-old sensation of the local course this season. He is winner of the President's cup defeating K. M.

Bower in a one-sided match, seven up and six to go. In addition to winning the tournament, young Owens also won opening handicap tourney and threatens to cop all leading honors on the course this year.

J. R. Smith won the second flight match of the President's cup

meet by defeating J. C. Woods in a close match, three up and two to play.

These three men are expected to be outstanding contenders in the course championships to get under way some time next month. Owens is being favored by many to win.

### County Sealer Takes Steps to Guard Local Motorists Against Short Gas Measure

All of 200 Pumps in County Required To Comply with New State Specifications, in Effect Since July 1; Few Complaints Reported Here

"See what you buy," is the advice of Clifford Swisher, county sealer of weights and measure, to motorists if they want to be sure at all times that gasoline station attendants put as many gallons in the tanks as they charge for.

Although Swisher believes that there are few cases of short measure in Marion county, he advises all motorists to watch that they get the required number of gallons of gasoline.

It is easy, he points out, for a station attendant to "short" a customer who sits in his car while the gasoline is being poured into a tank on the rear of the machine.

State specifications Swisher says, require that all gasoline pumps be constructed so that the purchaser can see how much he is getting if he will only watch the gauge.

The new specifications went into effect July 1. Operators were given a number of days to make their pumps comply with the state standard. Those that do not comply are being condemned by Swisher.

There are approximately 200 gasoline pumps in Marion county, according to figures given out by Swisher. Of this number 116 pumps are in Marion. There are 80 stations in the city, he says.

Field Not Crowded

In spite of the fact that there appears to be a gasoline station on every street and road corner, the field is apparently not crowded. According to officials of the Marion Auto club there are more than 10,000 motor vehicles in

### BOY IS KILLED AS HE LASSOES HORSE ON FARM

Legs Entangled in Rope and Youth is Hurled Against Tree

OCCURS NEAR BYHALIA

Bellefontaine Lad on Farm in Effort To Regain His Health

(Special to The Star)

Richwood, July 26—Harford H. Butler, 14, of Bellefontaine, is dead here today as a result of injuries sustained when he indulged in cowboy antics on the farm of Tracy Green, one-quarter mile west of Byhalia.

The lad had been sent into the pasture field about 9 o'clock this morning to bring the horses to the barn. Taking about 40 feet of light rope the boy is said to have lassoed one of the horses. His legs became entangled in the rope when the horse started to gallop away. As the boy was dragged along the ground he was thrown against the trunk of a tree and killed instantly.

Working To Regain Health

The boy is the son of Mr. and Mrs. C. D. Butler, of Bellefontaine. The parents are the only survivors. The body was taken to the S. F. Nauden funeral home here but arrangements for burial have not been completed.

The boy had been working on the Green farm since the Bellefontaine schools closed last spring. He went to the county, it is said, on the orders of a physician to regain his health which was impaired at the end of the school term.

### THREE HOMES HERE VISITED BY BURGLAR

Breaks into Two Dwellings, Makes Attempt To Enter Third

Police today were seeking a burglar described as being about 25 years of age, five feet, nine or ten inches tall and weighing between 150 and 155 pounds, who broke into two dwellings on Westwood av., early this morning and made an unsuccessful attempt to break into a third home on Bellefontaine av.

The description was furnished the police by Mr. and Mrs. Samuel Hecker, Westwood av., who awoke shortly after 4 o'clock this morning to find a stranger in their room. Although the man made his escape when he saw occupants of the room had awakened, they were able, they told the police, to secure a fairly accurate description of the man.

Frightened away after making an unsuccessful attempt to break into the home of K. W. Klumpp, at 927 Bellefontaine av., the burglar, it is believed by police, went to the home of V. A. Cressap, 922 Westwood av., where he gained an entrance by forcing open a kitchen window. Avoiding the room in which members of the family were asleep, he ransacked the house, taking two children's baskets containing sums of money, a woman's pocketbook containing \$4, a string of pearl beads and a flashlight.

Leaving the home by means of a rear door and without awakening the family, the burglar went to the home of Samuel Hecker, next door, where he also gained entrance through a rear window. After ransacking the downstairs, where he secured several dollars, he went upstairs and was engaged in going through the drawers of a dresser in the room in which Mr. and Mrs. Hecker were sleeping when he was discovered and by police.

The two men were taken to the police station and are being held pending the outcome of the extradition hearing.

### TRAFFIC STOP SIGNS PLACED ON STREETS

Police Prepare for Enforcement of New Traffic Regulations

Placing of stop signs, speed limit signs and other traffic regulations on the streets of Marion today was the first step in the enforcement of the new traffic laws.

The signs were placed on the streets of Marion today by the police department.

### GENE FLIES TO GOTHAM FOR FIGHT

Makes Successful Flight from Training Camp in Two Hours and 15 Minutes; Champion Looks Healthy and Fit

TUNNEY, HEENEY READY TO WEIGH IN

Walsh Declares Knockout Not Probable; Tex Richard Faces Big Bout That May Be Financial Flop

BY DAVID J. WALSH

New York, July 26—Just as they did the first and the last time some struggling soul consulted this monumental bromide, all roads will lead tonight to the Yankee stadium where Gene Tunney and Tex Richard are to engage in earnest combat of 15 rounds for the heavyweight championship of the world. The roads will lead, indeed, but the pedestrian, the equestrian and the cyclist have indicated that they will suit themselves about following.

New York was calm, sane and a model of polite interest this morning as it awaited the coming of this event, which seems to have lost some of its strident significance.

Even the fact that Tunney, the champion, meant to take his life in his hands by flying to the scene from his training camp failed to arouse the regulars to the point where it stormed the citadels for tickets of admission. There probably were 40,000 seats sold this morning and indications were that if the crowd reached 10,000 and the total gate more was a million, Tex Richard would be doing as well as any man could expect.

Dumpey in Corner

However, fair and cooler was the weather forecast for the evening and this was no more favorable to the success of the occasion than was the possibility that the terrible, heavy-duty slugger would be last minute slacker of a sale that only in record days has secured of championship bouts and Richard was prepared to make the most of them.

A millionaire now, in white flannels and smoking cap, he once drank beer along the Yacht and so he wore the designer's mark of luxury this morning as he sat alone and faced the prospect of a financial success for the first time since, 30 years ago at Reno, he launched into the business of heavyweight championship promotion, all of his previous extravagance made thousands upon thousands in profits for his backers. This time, he will make little or nothing.

"Tex" is "Under"

They have dubbed Moorey, the New Zealand challenger, the "man from down under." But the selected down party. The man from down under today in Tex Richard as he contemplates his cash on hand and compares it with the fact that he has contracted to pay Tunney \$200,000, Moorey \$100,000 and the government some 20 per cent of his receipts, in addition to underwriting the costs of the fight and the most expensive contingencies with the staging of an event of this kind.

One of Richard's last, despairing gestures will be to throw 1,000 general returns to Page 5

**RAILROADS LURE BOYS**

**Strenuous Work on Sections Good Training for Football Squad**

Gallion, July 26—Eighty working certificates have been issued to students of Gallion junior and senior high schools during the past year according to a report filed yesterday by Miss Elizabeth Hand, secretary in the office of the superintendent of schools. The report shows that 30 students have taken regular certificates enabling them to work part time throughout the year and 50 others are engaging in work during the vacation months. In accordance with the state law, certificates are issued by the superintendent of schools, and school physician are kept in the office.

**Various Occupations**

Of the 50 students who are working this summer 30 are girls. Gallion's numerous garment factories and their need for girls to do special sewing and machine operating explains this distribution. A summary of other occupations shows clerking and housework next in line.

Local manufacturing companies also offer the best chance for boys of school age obtaining vacation employment and many of these have been holding positions at the Gray Vault company. E. M. Freese and Co. and the Gallion Iron Works. A wide variety of types of employment was noted by the statistics compiled showing that the school boys are interested in every kind of work from serving at hotel buffets to spending strenuous hours on a section gang in training for a berth on next year's football squad.

# UPPER SANDUSKY, July 26

Her right ear torn off and body bruised were the injuries sustained by Mrs. Thomas Laws, of Crawford, when she attempted to hold an unruly horse Tuesday afternoon. She was leading the horse while he was being unhooked when the animal became unmanageable, throwing her to the ground. Her head struck a nearby tree severing the ear.

# TREASURER REPORTS TAX TOTAL \$115,000

**Yesterday's Collection at Mt. Gilead Is High Mark For Year**

Mt. Gilead, July 26—Last week was the busiest of the year in tax collections, according to County Treasurer S. G. Shambaugh, who reports that \$115,000.00 was handed in over the counter alone, exclusive of mail receipts. Friday was the largest single day with receipts of \$21,000. The week ended with \$225,000 in the county coffers.

The Big Four Railroad exceeded all other units in taxes handed in with a check for \$10,000. In sharp contrast to this amount is the cents paid by the owner of a part lot in Marquette.

# FARM FIRE DAMAGE ESTIMATED AT \$5,000

**Large Barn and Contents Destroyed on Cad Wallace Place, Near Kenton**

Kenton, July 26—Fire of unknown origin destroyed a large barn on the Cad Wallace farm on the Milligan place, west of here, late yesterday afternoon, causing damage estimated at \$5,000. The loss is only partly covered by insurance.

First discovery of the blaze was made by Ole Legge, tenant on the farm, and a group of men working in a nearby field. The blaze had gained too great a headway to be extinguished and volunteers confined their efforts to saving nearby buildings.

A hog, five tons of hay and farm implements were consumed.

# NEW LOCATION

Old Lutheran Church Bell To Be Moved After 35 Years

Kenton, July 26—The old Lutheran church bell, which has been calling its people to worship for 35 years, is to be moved to the tower of the new Lutheran church now under construction in Ada, where it will continue its faithful service for decades to come.

The bell was placed in the old tower in 1890, three years after the erection of the church. Levi Aspasch, a member of the new building committee, was one of the men who helped put the bell in the tower. It originally cost \$350.

# PLAN RABBIT SHOW

More Than 100 Entries in Ashley Fair Exhibit Expected

Ashley, July 26—The third annual rabbit show, under the management of Dr. B. A. Whipple, will be one of the big features of the biggest little fair. The doctor had set as a goal 100 entries for the rabbit show and there is every indication that the number will be even exceeded. Dr. Whipple has visited breeders throughout the state securing the entries that will place the Ashley fair show in the front ranks with similar events.

# GOING TO REUNION

Mt. Gilead, July 26—Brice Osborn, proprietor of the West Side Meat Market, will be the only local man to attend the thirtieth annual reunion of Spanish War Veterans at Mt. Vernon, Saturday and Sunday, Aug. 4 and 5. Mr. Osborn says he is the only local member of the old Fourth Ohio.

# K. D. Bell, Veteran Teacher

KENTON, July 26—R. B. Bell, major of Calabogie, and prominent in school circles, will be honored Sunday at a basket picnic and all-day outing at Gormley park. Forest, by hundreds of persons from Marion, Wyandot, Hancock and Hardin counties whom he taught in school.

Mr. Bell will celebrate his eighty-third birthday Aug. 21. During his active career he has served as teacher for 53 years and held the office of county school examiner for 15 years in Wyandot and Marion counties. For four years he was county superintendent of the schools of Marion county.

Last year a group of Mr. Bell's former pupils in Wyandot county held a similar affair at Upper Sandusky. All who went to school to Mr. Bell are invited to attend the picnic Sunday at Gormley park.

Mr. Bell is well known in Kenton, having visited here many times at the home of his daughter, Mrs. O. P. Magann, North Leighton st.

# EXPECT OVER 2,000 AT FAMILY REUNION

**Event Scheduled for Sunday at Bruglers' Grove, South of Kenton**

Kenton, July 26—More than 2,000 persons are expected to attend the annual reunion of the Johnson-Ansley-Rosebrook families to be held Sunday, July 29, at Bruglers' grove, south of here.

Kinsfolk and friends of the families will attend from Hardin, Logan, Marion, Allen and other surrounding counties.

Final plans for the annual affair are now being completed by the reunion officers and a special committee. Among the principal speakers will be the Rev. John McGinnis, of Youngstown, and the Rev. Henry R. Johnson. The program will also include readings, recitations and music.

# NEW WARRANT TO BE ISSUED FOR ROBBER

**Bucyrus Judge's Denial of Stay in Execution Automatically Causes Act**

Bucyrus, July 26—No traces have been made of Harry Zillick, missing Gallion bank robber, according to Sheriff Umer this morning.

Judge Wright's denial of his right to carry the fugitive's case to the state supreme court and also a stay of execution, automatically caused the issuing of another warrant for Zillick's arrest and return to Bucyrus.

Zillick is sentenced to serve from 12 to 25 years for complicity in the Gallion bank robbery of June, 1927, involving the sum of \$175,000.

A reasonable time will be given Sheriff Umer to bring Zillick to Bucyrus, it is announced. If he is not returned to the court within a reasonable length of time it will be necessary for the judge to order his bond forfeited as was done with Willard Hand's bond, and which procedure brought about considerable entanglement between George Riser and H. N. Oberlander, Bucyrus local bondsmen, and Toledo parties to whom property held for security by the bondsmen, had been decided to another party.

# ANNIVERSARY WEEK

Mt. Gilead, July 26—The Kaypee theater here, under the management of Griff Granger, is preparing to celebrate its seventh anniversary next week. The theater has been redecorated in attractive colors and the ventilation system has been improved to provide cooled and filtered air. A special program has been provided for the week with several vaudeville numbers.

# BUYS ASHLEY SHOP

Ashley, July 26—John D. Loren, a Columbus plumber has purchased the Flavin Brothers plumbing store and shop, taking possession Tuesday. Mr. Loren plans to move here with his family early next week. He is a brother-in-law of Gale Westbrook of the Westbrook Hardware Co. here.

# WORK TO START ON PARK AT BUCYRUS

**W. C. T. U. Members To Arrange for Placing Seats in Picnic Ground**

Bucyrus, July 26—Work on the construction of a municipal park for Bucyrus will be started immediately according to Mayor Schuler who announced that the city will begin work on cutting down the tall weeds which now hamper complex access to the innermost part of the grounds.

The promoting committee of W. C. T. U. members announced their intention of placing suitable benches in the picnic ground as soon as possible, so the park may be used by citizens of Bucyrus before the summer is over.

The committee announced their plans of carrying on a campaign to secure enough funds to complete the work at the new Amiller park. The W. C. T. U. has a group of vice presidents, one from each church, and these women have been appointed to collect from the W. C. T. U. members of their respective congregations. Some of the ladies will contribute individually and others as an organization.

Several individuals have contributed already, with material donations. At Tuesday night's meeting of the W. C. T. U. G. P. Markley, who was present, generously offered to construct an Amiller park sign and have it erected.

# ENTERTAIN AT BRIDG

Upper Sandusky Mothers Plan Number of Social Affairs

Upper Sandusky, June 26—Of interest among summer parties was the bridge luncheon of eight tables given by Mrs. George Denman and Mrs. Clarence Houser at the J. A. Hare home, North Eighth st., yesterday afternoon. Luncheon was served at 1 o'clock and the tables being arranged later for cards. Mrs. Walter Myers, of Findlay, was awarded first honors and Mrs. Karl Hale second. Out-of-town guests included Mrs. Max Garber, of Belleville, who is visiting her parents, Attorney and Mrs. L. M. Bowers; Mrs. Kurt Steinbach, of Detroit, who is spending a short vacation with her parents, Mr. and Mrs. Charles H. Johnson, and Mrs. Myers, of Findlay.

Six tables of bridge were entertained yesterday afternoon by Mrs. John Gilbert at her home, South Hazel st. Luncheon was served later in the afternoon. Honors at cards went to Mrs. Marion Burkley and Mrs. Fred H. Walton.

Mrs. Paul Zachardy was hostess to the Hoo Ray club, of Tiffin, last night at her home on South Eighth st. Tables were set for cards and luncheon was served.

# PLANS NEW GARAGE FOR MT. GILEAD

Mt. Gilead, July 26—According to recent announcements here, a new garage will be opened in early August in the building formerly occupied by the Ford garage, under the management of C. C. Cline, well known over the county from his recent connection with the Buckeye Milling Co. here. He was forced to retire from this business on account of ill health some time ago. He will not specialize in any make of autos but will handle repairs for standard makes.

# GOVERNMENT TAKES OVER NEW HAMPSHIRE TRACT

Waterville, N. H.—At a cost slightly more than \$1,000,000, the federal government has taken over the 23,200-acre tract of wooded land in this vicinity, funds for the purchase of which were made available by the last congress, according to an announcement by Philip W. Ayres, forester of the society for the protection of New Hampshire forests.

The standing virgin timber in this area, instead of being taken out by logging railways as first proposed, will be cut under government regulation with careful protection from forest fires. It is expected that over a period of fifteen years nearly the whole purchase price will be returned to the government. In the meantime the government has set aside \$50 acres around Greeley Pond as an example of primeval wilderness never to be cut.

The Peruvian Ministry of Public Works hereafter will control the hygienic and safety conditions of all industrial establishments in that country.

Opportunities are like fish—the big ones always get away.

# Annual Figures Compiled by Morrow County Superintendent, W. A. Stage

Mt. Gilead, July 26—According to the report of County Superintendent W. A. Stage, there are 2,392 pupils enrolled in Morrow county schools. Superintendent Stage's figures show that of this number there are 1,629 boys and 1,093 girls.

Approximately \$506,000 in school buildings with \$84,800 in equipment are provided for this school population. The teaching staff totals 134, of which 58 are needed to take charge of rural one-room schools. Forty-five boys and 70 girls graduated from first grade high schools in the county last year.

There are 571 pupils enrolled in the local school system, including 251 boys and 320 girls.

# PROGRAM OPENING READY FOR FRIDAY

**Five Days of Entertainment Arranged by Marysville Chautauqua**

Marysville, July 26—The annual Marysville chautauqua will open Friday afternoon. As usual the session will be held in a tent erected on the school grounds of the West building and High school. The last session will be held Tuesday night.

The committee arranging the program this year has selected unusual talent. Each program is expected to be above the average and will feature new attractions.

Included in the programs of five days' entertainment are: the Berkman Play company, the Carolina Jubilee Singers, Dr. Ira Landrith, the Ernest Toy Trio, Edward Amherst Ott, lecture: Maupius Singing Band, Glenn L. Morris and Mrs. DarMarcus Brown.

# PRESENTS PROGRAM

Gallion Reformed Church Group Hears Chautauqua Souther

Gallion, July 26—An interesting program featured the monthly meeting of the Dorcas society, of the First Reformed church, which was held yesterday afternoon in the church social rooms. Mrs. Edward Eichorn was in charge of the meeting and introduced the program participants. Orlando H. English of the Redpath chautauqua was the speaker of the occasion and gave a review of the work being accomplished by the chautauqua this season. Stressing especially the children's work he urged the support of the church women. Mrs. Howard Evans, former director of the choir of the church sang several solos and Russell Reuch played a cornet selection. Miss Dorothy Durtch contributed several humorous readings which closed the program. Refreshments were served in the basement of the church following the business session.

# ATTEND FUNERAL

Those attending the funeral of the Rev. M. L. Wottring held Sunday afternoon at the Frank Smith home, Kenton, were John Daum, Mr. and Mrs. Frank Wottring, Mr. and Mrs. Samuel Milley and son, John, Mr. and Mrs. Glenn Hines and daughter, Helen, Mr. and Mrs. William Robertson, Richard; Mr. and Mrs. Ariel Benedict and son, Raymond, Ames, Ia.; Mrs. Etta Benedict and daughter, Myria, Woodbury; Mr. and Mrs. Lee Benedict and sons, Cardington; Mr. and Mrs. Samuel Benedict, Bucyrus; Jasper Wottring, Columbus.

# Reduction in Rate Seen as Result of Lower Budget Estimate

Kenton, July 26—With the approval of the tentative county budget for 1929 placed at \$392,600 by the board of Hardin county commissioners and county auditor, predictions are that a lower tax rate for the county will prevail.

The sum requested by the commissioners for operating expenses and sinking fund requirements is \$300,000 under the amount requested of the budget commission for 1928.

While the commissioners asked for \$443,500 for 1928, the amount was cut by the budget commission. By this year the request of the commissioners is even \$12,879 under the allowance made by the commission for 1928.

In view of this the commissioners are of the opinion that a new county tax rate of 6.00 mills will provide sufficient revenue from taxes to take care of all their requests for 1929. The tax for 1928 was 7.15 mills. This reduction is due largely to less money being needed for sinking fund purposes.

# SURPRISE PARTY HONORS BIRTHDAY ANNIVERSARY

Richwood, July 26—Friends and relatives surprised Mrs. Samuel May at her home northwest of here Sunday night in celebration of her thirtieth birthday anniversary. The affair was planned by Mrs. Harry Milley and Dana Mulvaine. A basket supper was enjoyed and the time spent socially and with games.

Guests included Mr. and Mrs. Ed Stiffler and family, and Mrs. Emma Stiffler, near Marion; Mr. and Mrs. Jay Stiffler and family, Mrs. Emma Stiffler, Mr. and Mrs. Harry Milley and family and Vernon Wood, near Newport; Mr. and Mrs. John Hill, near Byhalia; John Daum, P. H. Perry, Mr. and Mrs. George Schuch and family, Mrs. Frank Wottring, Mr. and Mrs. Jacob Schuch and son, Glenn, Grand and Carl Fisher, Dana Mulvaine and Mr. Milley and son, John.

# FIRST OF SERIES

Kenton, July 26—The first of a series of benefit bridges was given Wednesday afternoon at the Henry home, 20 North Main st., by the women and means committee of the McKim Hospital guild. Thirty tables were a play.

### HUGHES RESIGNS

Deputy Commissioner Russell Stated To Be Chicago Chief

Chicago, July 26—Deputy Commissioner William F. Russell was slated to take over the reins of the Chicago police department today following the resignation of Commissioner Michael Hughes.

Russell will be acting chief for the time being, pending confirmation of his appointment by the city council, it was understood. Mayor William Hale Thompson, who is out of the city on a fishing trip, is said to have definitely decided on Russell as Hughes' successor. Commissioner Hughes' resignation was formally announced late yesterday although he is said to have tendered it to Mayor Thompson several weeks ago.

### BODENHEIM RELEASED:

FOUND IN DANCE HALL

New York, July 26—Maxwell Bodenheim, poet and novelist who had been leaving reporters a chase since his disappearance following the recent suicide of Miss Virginia Drew, his wife, was released after being found by detectives in a Harlem dance hall today. Although no charge has been made against him, he was taken to a police station "on general principles" and questioned.

### EAST ST. LOUIS GUEST

IS HONORED AT PARTY

Prospect, July 26 — Miss Margaret Sites entertained Tuesday afternoon for the pleasure of Miss Mildred Robenquist, of East St. Louis, who is her guest for a few days. The afternoon was spent with bridge. Miss Sites, assisted by her mother, served refreshments. Besides the honor guest, those present were Miss Marion Herr, Florence Beavers, Ruth Harmon, Esther Kaler, Elizabeth Wottring, and Gene Eva Roberts, of Marion.

### FUNERAL RITES HELD

FOR FRANCIS M. HARVEY

Funeral services for Francis M. Harvey, 72, who died Tuesday afternoon of dropsy, were held at 2:30 o'clock this afternoon at his late home, Marion R. F. D. No. 2. The Rev. G. A. Whitlock, pastor of Wesley M. E. church, officiated and interment was in Marion cemetery.

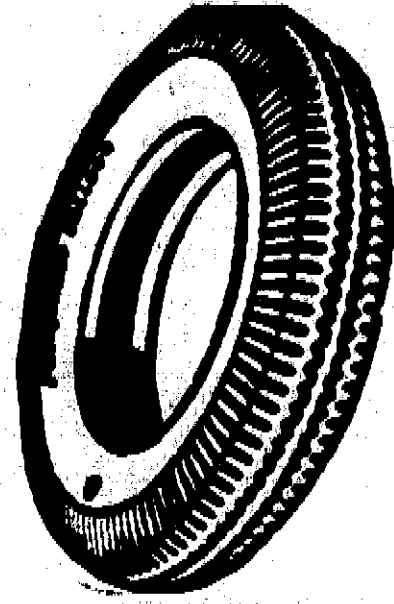

Mr. Harvey, who was a native of Wyandot county, died at his home following a three-week illness.

JUST what can be done about it has not been discovered, but three teams in the Industrial league have continued to fight neck and neck for the pennant last night when a set of postponed games were played.

Each one of the three topnotchers checked strong aggressions and all pulled through with victories in some of the hardest fought games of the season.

Huber gave the C. D. & M. a terrific battle before giving up the fray to the count of 7 to 6. The Steam shovel club won a 2 to 1 pitching duel with Fairfield while Osgood blanked the Hocking Valley, 4 to 0.

Looking ahead a few hours the writer can see some great battles impending with at least one position at the head of the standings at stake. The outstanding engagement tonight will be the one between Osgood and C. D. & M. which will mean that one of the top aggressions must drop into second place. The Shovel club has no easy contest with the Erie Roundhouse.

Last night's scores:

### SUCCESS OF RACES DEPENDS UPON STARTER

One thing and another can make or break a race meet but after all preliminary arrangements have been made there is one man who can completely disrupt the entire affair or make it an outstanding success.

That man is the starter. And, as all fans know, no other person is so important in a race in spite of the type and class of horses entered.

In view of this fact officials of the Marion Driving association have

STEPHEN G. PHILLIPS

selected Stephen G. Phillips to handle the Ohio Short Ship races which open here next week with a five day card.

Although he is comparatively young and is making his first appearance in a racing capacity, Phillips has won the confidence of Grand Circuit drivers and has made his arrival a pleasure to fans. He will arrive in Marion Sunday to look over the ground before the meet opens the following day.

### LEADERS LOSE AND RACE TIGHTENS UP

Cards Defeated by Brooklyn; Yanks Drop Two to Detroit

New York, July 26—Leading big league clubs which piled up an imposing list of victories on their own grounds have made an inauspicious start in enemy territory, and as a result of their defeats yesterday both of the pennant races are tighter today.

The Cardinals were slaughtered by Brooklyn, 8 to 1, the Dodgers scoring all their runs in one inning. The Yankees came a cropper in Detroit and lost two games. The Athletics, taking to the road like a duck to water, beat the White Sox twice and cut New York's lead to nine games.

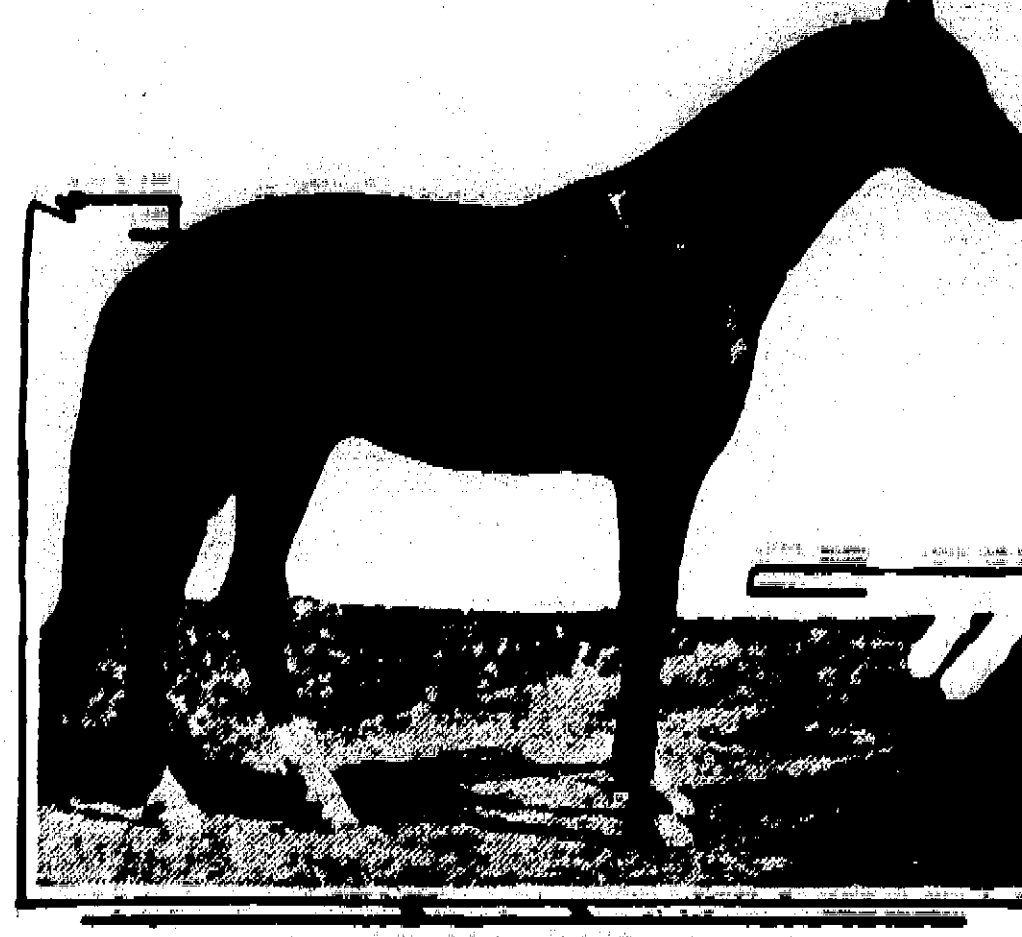

The Braves and the Phillies, who made such a miserable showing in the west, served notice that they are no pushovers on their home lot. Dutch Beaudt of the Braves stopped Chicago, 3 to 1, despite Hack Wilson's twenty-third homer, and the Phils held the Reds to an even break.

Lindstrom of the Giants hit a homer with two on base, Grantham of Pittsburgh duplicated the feat, and then big Frank Hogan hit another homer which gave New York a 6 to 5 victory.

After knocking out George Fehrer and nailing out the Yankees, 3 to 2, the Tigers took a 10 to 7 slugfest from the champions. Stoner and Van Gilder held the Huguenots to four hits in the opener. St. Louis ruined Washington's winning streak by trouncing the Nationals, 12 to 8, and 6 to 5. Cleveland twined the Red Sox, 10 to 2 and 15 to 5.

The scales used in weighing diamonds are so delicately poised that the weight of a single eyelash will turn the balance.

### CANADIAN WONDER HORSE ON CARD

GRATTAN BARS

### Anticipate New Mark from Canadian Racer Wednesday

THE greatest sensation of the current racing season is the Canadian cyclone Grattan Bars, who is expected to lower the Ohio half-mile track record when he appears on the Marion Short Ship Program next week.

In one of his greatest races of the year at Mansfield yesterday, the Canadian wonder horse lowered the half-mile track record when he traveled the mile in 2:03 before 5,000 fans. The former record was held by Lillian T. of Youngstown whose time was a quarter second lower than the new mark.

Winning stakes races at Toledo, Kalamazoo and Windsor, Grattan Bars has developed into one of the great drawing cards of the season. He will appear in Marion during the feature day of the card next Wednesday against a select field.

The fact that the local track is faster than the one at Mansfield and that the field is expected to be much stronger, the horse may be pushed to lower his present mark by a good margin.

Plans for Marion's Short Ship races are nearing completion and horses have started arriving at the stables at the fairgrounds. A majority of the racers at Mansfield as well as many others will participate in the meet.

Five big days of good racing are planned with the first event slated to get under way at 2 o'clock Monday afternoon. Four events will be run off each day with purses for the week totaling \$6,000. Record breaking crowds are anticipated for each day of the meet. Two hundred horses are entered.

### RUPE PARKER HAS 'GREAT CHANCE IN FEATURE'

When Grattan Bars and Kinney Direct meet in the feature bill of Marion's short ship races next Wednesday afternoon, the latter horse driven by Rupert Parker will have the best chance of beating the Canadian west.

Last week the man from the west drove Kinney Direct to victory in an excellent race at Kalamazoo taking the event in two heats. His best time was 2:02 1/4.

At Mansfield yesterday where he

RUPE PARKER

was to drive against Grattan Bars, Parker was forced to withdraw his entry on account of lameness. This is expected to respond to treatment so that the horse will be in the best condition for the race here when state records are expected to be broken.

The race will be one of the speedy events arranged by the Marion Driving association under the direction of Frank Foster, secretary, for next week.

### LOCALS SHOW UP GOOD IN CONTEST

Leadoff Man for Winners Turns in Score of 77 for High; Delaware Swamped in Easy Fashion Here 76 to 26

AFTER getting away to a bad start earlier in the season, Marion golfers have rounded into form and are now setting a fast pace in inter-club matches. Yesterday the locals walked all over the Delaware team, winning 76 to 26.

Turning in a 39 and a 38, H. W. Hane again led the local team to victory. His total of 77 for the 18 holes was the low score of the day.

Yingling, Delaware leadoff man, was second high when he turned in a pair of 40's for a total of 80. Robert Owens, winner of the President's cup, finished next with 84. K. M. Bower, runner-up to Owens, turned in a card of 88 as did Dennis.

The scores:

**Adolphe Menjou picks OLD GOLD**

as camera records the Blindfold test

The test was conducted by responsible witnesses who asked Mr. Menjou to smoke each of the four leading brands, clearing his nose with coffee between smokes. While the camera recorded the test, only one question was asked: "Which one do you like best?"

"I've discovered a new way of mixing business and pleasure. The parts I play call for the constant smoking of a cigarette... I probably average one cigarette to every hundred feet of film. In the blindfold test I discovered one so smooth, so considerate of my tongue and throat that even the business of wholesale smoking while we're shooting scenes will be a pleasure. The cigarette I used for proved to be Old Gold."

**Adolphe Menjou**

**OLD GOLD CIGARETTES**

Why you can pick them

Three types of leaves grow on the tobacco plant... coarse up-leaves, irritating to the throat... withered ground-leaves, without taste or aroma... and the true leaves, still in bud and fragrant smoking quality. Only the true leaves are used in Old Gold.

### Vermilion Catfish

Word that the catfish, which make an annual pilgrimage into the Vermilion river, are hitting there, comes as rather good news to anglers of northern Ohio. The catfish in the Vermilion are large and, coming in from the water of Lake Erie, are decidedly toothsome.

Many of the fishermen at Vermilion use a small brass spinner with a minnow or night crawler for bait and will lure very slowly over the bottom. Others resort to ordinary pole fishing methods.

The catfish put up a wonderful fight. They average in the neighborhood of eight to 10 pounds in weight. Although they are probably few bass in the river at present fishing in the lake outside of the breakwater should be fairly good.

### TILDEN AND LACOSTE TO MEET IN OPENER

American, French Teams Battle for Davis Cup in Challenge Round

Paris, July 24—"Big Bill" Tilden will face Rene Lacoste, the French ace, in the first match tomorrow between the American and French teams in the challenge round for the Davis cup, according to the draw made public today. John Hennessey, of Indianapolis, will play Henri Cochet in the second singles match immediately after the Tilden-Lacoste match.

On Sunday the order will be reversed, Tilden playing Cochet and then Hennessey playing Lacoste. The doubles match will be played on Saturday but neither team has been announced as yet.

The angler should go to the town of Vermilion. Boats are available at several boathouses at the bridge and the main highway. Camping grounds are situated up the river. There are all privately conducted. Bait is usually obtainable at the boathouse.

### Here's One

From down in Kentucky, where squirrel hunters are said to kill fat timber armed with nothing but a sack of selected stones, good eyesight and an excellent throwing arm, comes this story.

A small stream, just a trickle through a gully in average weather, flowed into a big river a few hundred feet from the point where a road crossed it. The county commissioners did not see the necessity of a bridge, as the stream was fordable at almost all times.

Five chaps who lived up in the hills, far above the town decided on a Saturday morning that they would spend the weekend in town. They embarked in a flivver sedan, despite a heavy rain, and crossed the river successfully with water up to the hub caps.

### GENE TUNNEY HAS BEST RING RECORD

NEW YORK, July 24—The ring history of Gene Tunney and Tom Heeney:

Tunney—Matches, 64; knockouts 32; decisions 17; no decisions 13; draws, none; knocked out, none; lost decision, one; no contest (ordered from ring), one.

Heeney—Matches 34; knockouts 10; decisions 17; knocked out, none; lost decisions, 3; draws 4.

Sunday night they set out for home and mid-way across the brook, which now was a miniature torrent, the water came up to the level of the carburetor and naturally the motor gasped and stopped.

The quietest took off their Sunday outfits, stowed them in the machine and started to push it across the stream. The door of the car was left open, but the current swung it shut when the car was pushed into the water where the water came up to the shoulders of the pushers and was above seat level in the car.

It took a lot of work, the story goes, to get the flivver to the far bank and when this was accomplished and the lads opened the car to get their clothes, now soaked, imagine their surprise when they discovered a 50-pound catfish trapped in the flivver.

In the large river several miles downstream from the creek, was found the body of a resident of that vicinity. The finders selected one of their number to break the news to the wife of the deceased. He stumbled through the story, then to ease the bereaved woman's grief, he added that her husband's pockets were full of fish when they pulled him out.

Her face brightened at this. "Take him back down to the river and set him again," she commanded. And how!

### Squirrels

Things are looking up for the squirrel hunter in Ohio this year. Recent legislation tabooed the killing of squirrel in the Buckeye state in all years that end with an odd number. Last year, 1937, was the first of these and they were let alone.

The result is that those which would have been killed last season were allowed to remain and increase the tree dwelling tribe in the past spring. Reports are that there will be a great many squirrel this season.

### GENE TO WIN

New York, July 24—One of the largest wagers made on tonight's fight involves Jack Kearns who has laid \$30,000 against \$15,000 that Tunney will not score a knockout. Dempsey's former pilot declares Gene can't put Tom to sleep but believes Tunney will win the decision.

### GOOD WEATHER

New York, July 24—The Gene Tunney-Tom Heeney heavyweight championship fight at Yankee stadium tonight will have an ideal setting, as far as the weather is concerned. The day dawned fair and cool, and fair and slightly cooler weather was promised by the weather bureau for tonight.

Starting Friday Morning, July 27th, we will put on sale two hundred high grade Men's and Young Men's Fine, All-Wool Suits at the final and sharpest reductions.

## AERIAL MAIL RATES TO CHANGE AUG. 1

New Schedule Announced  
Here Today by Postmaster  
Crow

Marion residents who have occasion to send their mail by air will be interested in knowing that after Aug. 1, the rate on air mail will be five cents for the first ounce and 10 cents for each additional ounce, instead of the former rate of 10 cents for each one-half ounce or fraction thereof. The new schedule was announced today by Postmaster French Crow.

Any mailable matter except that liable to damage from freezing may be sent by air mail at the new rate if it does not exceed 50 pounds in weight and 64 inches in length and girth combined. Special envelopes have been designed to carry the mail, and all packages and letters sent by air should be plainly stamped, "Via air mail."

### TO FLY PLANE

Jack Pickford Seeks Job on Stage; Not to Remarry

New York, July 26—Jack Pickford, moving picture actor, who arrived in New York a few days ago from California by plane, says he intends to pilot his own plane across the continent on his homeward trip in about six months. Pickford said he owned no airplane back in 1919 but had done so flying since that time. He claims to have a private pilot's license and to have had about 100 hours' solo flying.

The screen star said he came east primarily to get a job on the legitimate stage and incidentally to buy a new plane. He said there was no truth in the report that he was to remarry Marilyn Miller.

### PROSPECT SUNDAY SCHOOL CLASS HOLDS OUTING

Prospect, July 26—The Progressive class of the Baptist Sunday School held its annual class picnic in the Community park Monday night with about 35 members in attendance. Mrs. Keshah Guy, of New Castle, Pa., was a guest. A short business session was held, after which a social time was enjoyed. In August, the class will enjoy a winter picnic in Emory Roberts' woods.

# PLANS ANNOUNCED FOR BEAUTY CONTEST

## Two Selections To Be Made in Competition at Sandy Beach Park, Indian Lake

Two sectional bathing beauty contests leading to the title of "Miss Ohio" and "Miss America" will be held at Sandy Beach park, on Indian lake, Aug. 2 and 3. It was announced today at Russell Point.

On Aug. 2, the competition will be between girls who live or stay at Indian lake for the title "Miss Russell Point." The following day "Miss Indian Lake" will be chosen from beauty contestants from any city in the western half of the state.

Unmarried girls between the ages of 16 and 25 are eligible for entry, according to E. C. Pollack, director of the Ohio beauty contest. Pollack is now at Indian lake making arrangements for the show.

The two winners will go to Cedar Point on an equal footing Aug. 20-31 for the contest which will decide the Buckeye state's premier beauty.

Last year Evelyn Wilgus, going to Cedar Point as "Miss Russell Point," won the "Miss Ohio" honor. She will participate at Cedar Point again this year as an ex-officio holder.

# Dramatic Company Opens Marion Chautauqua Today

A large number of residents of Marion and vicinity assembled at the chautauqua pavilion this afternoon for opening presentation of Marion county's annual five-day chautauqua program.

The Rev. William E. Beuchler, of Layton, platform superintendent, gave a short address before the program started. John H. Clark, of this city, president of the Marion County Chautauqua association, also gave a short address of welcome.

Preliminary to the presentation of "To the Ladies," a play by the Burgmann Play company, a short musical recital was presented by an electric reproducing talking machine in charge of William Dowler of the Dowler Music store.

The play presented this afternoon was filled with a natural flow of humor and sparkling comedy and was well received by the audience. The play, written by Marc Connelly and George S. Kaufman, has an extremely long run on Broadway. It deals with the story of a wife to aid her husband in making a success in business.

The Burgmann company will present "Smiles Through" at the chautauqua program at 8 o'clock tonight. The talking machine recital will again be given tonight as a prelude to the play.

### FRIDAY PROGRAM AT CHAUTAUQUA

8:30 o'clock—Concert by the Ernest Toy Company.  
9:30 o'clock—Lecture, "In the Footsteps of Livingstone," by Mrs. Demarchus Brown.  
10:00 o'clock—Follies by the Ernest Toy Company.  
10:30 o'clock—Lecture, "Fuddling While the World Burns," by Dr. Ira Landrith.

**BRITISH SIN OF BOOZE**  
Large Amount Whisky Sent and Be

BY CHARLES International News Correspondent  
London, July 23.—The British government has announced that it will allow the importation of a large quantity of whisky from the United States into the British Isles. This move is part of a series of steps taken by the government to reduce the cost of living and to provide relief for the unemployed. The whisky will be sold at a price of 10s. per gallon, which is a significant reduction from the current price of 15s. per gallon. The government hopes that this move will encourage the sale of whisky and thus provide work for the unemployed.

## TWO GET DIVORCES IN MARION COURT

Decrees Granted in Petitions Charging Gross Neglect and Desertion

Two divorces were granted in common pleas court yesterday on charges of gross neglect and desertion. Fred Mass was granted a divorce from Elsie Mass on grounds of gross neglect. Elsie Thaxton was granted a divorce from Albert O. Thaxton on charges of desertion.

Partnership Sued  
Suits to dissolve a partnership formed for the purpose of opening a thorough outfit and to refrain certain defendants from disposing of the machinery has been filed in common pleas court by Elmer Van Meter, John Felber, Jacob Zimmerman and Fred Zimmerman. The defendants named

are Fred Gilbert, Charles Philbrook, O. F. Caldwell, Clyde C. Rauer, J. W. Birchfield, G. D. Myers, B. E. Van Meter, Walter Berry and Charles Birchfield.

According to the petition Jacob Zimmerman bought the equipment of the partnership, known as the Ideal Thresher Co. for the outstanding indebtedness. Since that time, however, the petition states, a faction within the group named as defendants is attempting to sell the machinery again.

The plaintiffs ask that the defendants be restrained from reselling the machinery, that the Ideal Thresher Co. be dissolved and that a receiver be appointed for the partnership.

Homer E. Johnson is attorney for the plaintiffs.

### Contents Will

A petition to set aside the will of the late John Leslie has been filed in common pleas court by Marvin H. Leslie against Lillie Thomas, Leslie Thomas, Frances Thomas, Thurman Leslie, Mable Leslie, Imogene Leslie and John Jones, administrator of the John Leslie estate.

The plaintiff claims in the petition that he and Leslie Thomas and Thurman Leslie are the only heirs at law

and that the will is not the last will of the late Mr. Leslie.

## CHILDREN'S HOME CONDITIONS IDEAL

Health Situation at County Institution Excellent, Officials Report

The Marion County Children's Home was given a clean slate today, so far as health conditions are concerned, by officials of the county health commission.

Mrs. Edna M. Travis, county health nurse who makes frequent visits to the home, said today that health conditions at the home were never better. Within the last year there have been no cases of contagious disease such as measles, mumps and chickenpox.

All of the 67 children in the home are of normal weight, the health nurse states. The few minor physical defects there are rapidly being eliminated by operations. Within the last year 29 children have undergone tonsil operations. With operations on four more, throat defects will be practically overcome. Six tonsil operations were performed at the home this week.

Of the 67 children at the home, 40 are boys and 27 are girls. Ages range from one and one-half years to 17 years.

### BIRTHS

Mr. and Mrs. Charles Bolner, 489 Mary st., are the parents of a son, born this morning.

### WILL START WORK

Permission To Borrow Money Results in Work Starting Earlier

Bucyrus, July 26—A change in the Ohio laws by the last general assembly permitting municipalities to borrow money for public improvements in anticipation of a bond issue was the permission council had to borrow \$3,500 from the city's portion of the cost and start work on the paving of four streets two weeks earlier than had been anticipated.

The information was furnished by State Examiner George Dustman at a special meeting of council Tuesday night. An ordinance for the \$3,500 bond issue to repay this loan is already prepared and will be presented to council probably within the next week.

### UNKNOWN MOTORIST HITS WATER PLUG AT BUCYRUS

Bucyrus, July 26—Last night an unknown driver backed into a water plug on the corner of Russell and Woodlawn ave., breaking it off. The machine was apparently not damaged as the driver drove on. As soon as the main was broken water began flooding out of the main and according to neighbors everyone was too excited to get the number of the machine. A touring car with one man who was driving, was the only information available. Since the accident, residents of the neighborhood have been without a water supply, but according to Clarence Kohler, service director, water would be turned on at noon today.

### ASHLEY RESIDENTS JOIN EXCURSION DOWN THE OHIO

Ashley, July 26—Among those from Ashley who joined the Monday excursion over the Big Four railroad to Fern Bank on the Ohio River near Cincinnati, where the excursion was continued down the Ohio River on the steamboat Washington, to Sun Rise, Ind., were: Mrs. Frank L. Powers and daughter, Miss Jane Powers, Mrs. Mart C. Strine, Mr. and Mrs. Everett Thomas, Harold Wing and daughter, Miss Irene Wing, Miss Velma Hutton, Miss Thelma Hoffman, Miss Helen Wyant, Miss Freda Shaw, Jay McLeod, Charles Lee, Wilbur Davis, Harold Kloter, Homer Mackey and Walter Mosher.

### LAST RITES HELD FOR FORMER KENTON MAN

Kenton, July 26—Funeral services for Harry Bailey, 52, former well-known Hardin county resident whose death occurred at Akron following a brief illness of pneumonia, were conducted this afternoon from the Brindley Mortuary. Burial was made in Wolf Creek cemetery.

He was born in the Nigger Island vicinity, where he lived for many years.

### WILL SELL LAND

Bucyrus, July 26—A twenty-eight and two-tenths acre farm owned by Dolores Greenich and Harold Greenich in Liberty township will be sold at sheriff's sale from the steps of the court house here Saturday, to satisfy a judgment in favor of William B. Rogers. The lands are appraised at \$1,800. A mortgage for \$1,200 is held against the property by the People's Saving and Loan company, of Bucyrus.

### HOLD ANNUAL PICNIC

Marionville, July 26—Members of the First English Lutheran church enjoyed their annual picnic at the American Legion Memorial park this afternoon. Features of the picnic were athletic events and a basket dinner.

### PLAN ORGANIZATION

Kenton, July 26—Seventh degree members of Hardin county numbering more than 250, are planning to organize into a club for the purpose of holding get-together social sessions during the year.

### ANNOUNCE BIRTH

Special sale of Men's Suits, formerly sold at \$39.50, sale price \$19.50. Butler Store, 105 W. Center st., opposite the Gas Office.

### CARD OF THANKS

We wish to extend our heartfelt thanks to all those who assisted us in any way during the death of our dear wife and mother, also Rev. F. E. George for his comforting words and the singers for their beautiful songs.

Mr. Bert Sealey,  
Mr. and Mrs. Clarence Lowry.

## CITY BRIEFS

Seventh Arrest—William Riley, arrested last night for the seventh time in the last two months on the charge of intoxication, was ordered out of the city by acting Municipal Judge J. D. Williamson, when arraigned for hearing this morning.

Improving Slowly—Mrs. D. B. Dutton, 814 East Center st., is improving slowly from a tonsil operation which she underwent Monday morning.

Convention Report—A report of the national convention of the Brotherhood of Locomotive Firemen and Engineers, held in San Francisco recently, was given by C. E. Bonecutter, local delegate, at the meeting of the Marion lodge at Druids hall, West Columbia and Pearl sts., last night. William Mengerink, of Cleveland, general chairman of the organization, was a visitor at the meeting.

Plan Labor Day—Two new members were initiated and plans for the observance of Labor Day discussed at the meeting of the Joiners and Carpenters Union No. 976, held in the Red Men's Hall last night. While nothing definite was done with Labor Day plans, it was voted to take part in any program that might be fostered by the Central Labor Union.

Deputy Ill—E. M. Bell, deputy Marion county recorder, who has been confined to his home by illness the last three days, was slightly improved today. He is not yet able to return to his office, however. Mr. Bell contracted a severe cold several days ago.

Plan for Picnic—Employees of the Marion postoffice and their families and friends will hold a picnic dinner Sunday, July 29, at "Marion" the cottage owned by Mr. and Mrs. C. B. Russell, South Vine st., at Waterbury, near Russell Point.

Undergo Operations—John and Frank Roberts, sons of Mr. and Mrs. C. C. Roberts, Mt. Vernon av., underwent operations for the removal of tonsils and adenoids at City hospital this morning.

Condition Unchanged—The condition of I. O. Chenoweth, 130 Carhart st., who suffered a light stroke of apoplexy while at work at Huber Manufacturing Co. plant, yesterday afternoon, was reported unchanged at his home today.

Slightly Improved—A slight improvement was noted today in the condition of Mrs. Howard Geer, Mt. Vernon av., who is critically ill at City hospital.

Removed from Hospital—Mrs. L. W. Shadaker, and infant daughter, Edith Irene, were removed from City hospital to the home of Mrs. Shadaker's parents, Mr. and Mrs. N. G. Hogan, Green Camp pk., yesterday afternoon in the M. H. Gunder invalid car.

Evangelist To Speak—"Christianity's Spiritual Uplift in the Life of the Individual" is the subject to be discussed by J. Madison Wright, evangelist, at the First Church of Christ, North Main and Farming sts., tonight. The revival service will start at 8 o'clock.

Candidate Degree—Entered apprentice degree was conferred on a class of candidates at a special meeting of Sojourners lodge, F. and A. M., at the Masonic temple, last night. A stated meeting of the lodge will be held at the temple next Wednesday night. A luncheon was served following the degree work last night.

Marion Wins—Three runs in the sixth inning brought home victory to the Marion Masons when the local team defeated Crestline, 4 to 3, in a game played in Crestline yesterday. Three runs made by Crestline in the third frame made things look blue for the locals until the rally gave them the lead.

Bicycle Stolen—Paul Ebert, 499 Ballentine av., reported to police this morning that his bicycle was stolen from in front of the Harding High school building some time early today.

Last Rites Held—Final rites for John Kohbarger, 88, who died at the Marion county home early Tuesday morning, were held at 1:30 o'clock this afternoon at the C. E. Curtis & Co. funeral chapel, East Center st. Burial was in a Marion cemetery. Mr. Kohbarger, a native of Germany died of infirmities of age.

Funeral Friday—Last rites for James Lowell Belser, 20, will be held at his late home, 210 Carhart st., at 9 o'clock, Friday morning. The Rev. G. E. Groves, pastor of Central Christian church, will officiate and burial will be in Marion cemetery. The funeral services had formerly been set for tonight. Mr. Belser died at his home Tuesday afternoon after an illness of one week.

## Husband Slayer is Emotionless While She Weaves Tragic Story of Murder

BY D. L. BUCHANAN  
Former City Editor, The Star

Wooster, July 26—Seated in her cell in the Wayne county jail with her three-year-old daughter clasped in her arms and her three other children grouped about her, Mrs. James O. Gilbert Wednesday related the story of events that led her to murder her hus-

band at their farm-home near Warwick last Saturday night.

It agrees in all particulars to that told officers when she broke down and confessed at the Gilbert home at 3 o'clock this morning after hours of wriling.

With no more display of emotion than the average woman would show

in relating an ordinary event, Mrs. Gilbert unhesitatingly told every incident in connection with the killing and what she knew of the disposal of the body.

Mrs. Gilbert sought in her story to blame Chauncey Felton, her brother-in-law, for urging her to slay her husband.

With simple directness she began: "It was my life or his. He had

abused me ever since our marriage and I finally came to the place where I was forced to do something.

"For months my brother-in-law, Chauncey Felton, had urged me to get rid of my man. He told me that I would be justified in doing away with him. He said that he would help me.

"Felton kept at me to get rid of my husband. He told me to slip up some time when he was not looking and hit him in the head with something.

"Last Saturday evening Felton came over to our home. I told him that he had not better stay long because my husband would be coming in from the

## RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Heall's Orderlies has been discovered. This tablet attracts water from the system into the bowels, evacuating bowels called the colon.

The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Heall's Orderly at night. Next day bright. Get 24 for 25c today at the nearest Heall Drug Store.—Adv.

Ralph D. Wilmer, of Upper Sandusky, and Howard McKenney, of Bucyrus, were enlisted and sent to the Great Lakes Naval Training station.

After eight weeks they will be given leave, then transferred to one of the ships or stations for service. Men enlisted at this time will have completed their training and will be doing duty on the ships of the fleet which will travel to Panama for winter for exercises. According to the plans now, ships of the fleet will leave United States ports early in January and combine forces in the Panama Canal zone, will head for the Pacific and will be in the Pacific about Feb. 20, after which most of the fleet will visit South American ports. ## OBJECTION DELAYS CITY SEWER WORK

Construction of Line to Mill  
St. Resumed After Trouble  
Is Adjusted

Delayed for several hours yesterday when Pearl Sells, superintendent of the city schools, objected to the dumping of dirt from the trench on the ground of the Central Junior high school, work on the storm water sewer connecting Mill st. with the new storm water sewer on Center St. was progressed rapidly and today was completed more than half-way to Mill st. The sewer is being constructed un-

der the sidewalk on the east side of the street and yesterday when the steam shovel used in digging the trench began pulling dirt on the school grounds, Sells objected and work was stopped until permission had been secured to place the dirt there.

The sewer will provide an outlet for water from the Marion Ice & Cold Storage Co. plant on Oak st. which, previous to being allowed to flow down Campbell st. to Center st. followed a defective sewer through Casby st. and was responsible for many complaints from residents of the street who said the water got into their basements.

Several attempts to correct the trouble were made by the city engineering department, but it was not until the water was diverted down Campbell st. that the trouble was finally remedied.

## BASEMENT WORK NEAR COMPLETION

Rapid Progress Made with  
New Thew Building on W.  
Center st.

With a continuation of dry weather, work on the basement of the new Thew building on West Center st. east of the Harding Hotel, will be completed by the end of next week. It was announced today by representatives of the LaRue Construction Co., who have the contract for the work.

The excavation, both for the basement and the wall footings, has been completed and pouring of concrete for the footings was finished yesterday. Forms for the basement walls will be completed within a few days and pouring of concrete started.

Contract for the three-story building to be erected on the site has not been let, it was learned today. Plans for the building have not yet been submitted to contractors, it is said, although it is the intention to have the building completed by Nov. 1.

About the only way to endure noise is to join in it.

## The Way of the World

One of life's mysteries is the way that color affects us. Red, for instance, stimulates the appetite. In a red-papered dining-room we eat more and enjoy our food to a much greater extent than if we were in a room papered blue or green.

Wife—"Oh, John, I've just discovered that the woman next door has a hat like mine."  
Hub—"Now, I suppose, you'll want me to pay for a new one."  
Wife—"Well, dear, that would be cheaper than moving."
